

**Washing my hands is
important!**

**I should wash my hands after I go
to the bathroom.**

then

**I should wash my hands after
I cough or sneeze or wipe my nose.**

then

**I should wash my hands
before I eat.**

then

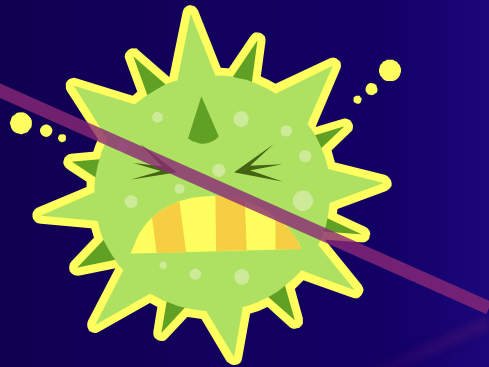

**My hands have germs on them.
Germs might make me sick.**

**Washing is good.
Washing gets rid of some of the
germs on my hands.**

**Washing my hands
is
important!**
