

# Ten Ways Parents Can Be Involved With Their Child's Education

- Contact your child's teacher early and maintain communication throughout the school year.
- Participate in parent/teacher conferences.
- Ask the teacher what your child is learning and how you can support this at home.
- 4. Talk with your child daily about homework, classroom activities, and events.
- Learn about school policies and expectations so you can help your child understand them.
- 6. Make efforts to stay informed of school and classroom events.
- 7. Model behaviors and attitudes you expect from your child.
- 8. Encourage and nurture your child's creativity.
- Be proactive in making the school aware of your support for your child's education.
- Talk with your employer about flex time so you can participate in school activities.
