

**Fire drill stories -before drill
and take home**

Fire Drill

Today we will have a fire drill.

Pretend

~~Real~~

Drill means the fire is pretend. It is not real.

When it is time for the drill, I will hear the alarm.

The alarm is very loud.

When I hear the alarm, I might feel

okay

scared

excited

My class will line up at the door.

We will try to walk carefully.

We will try to be quiet.

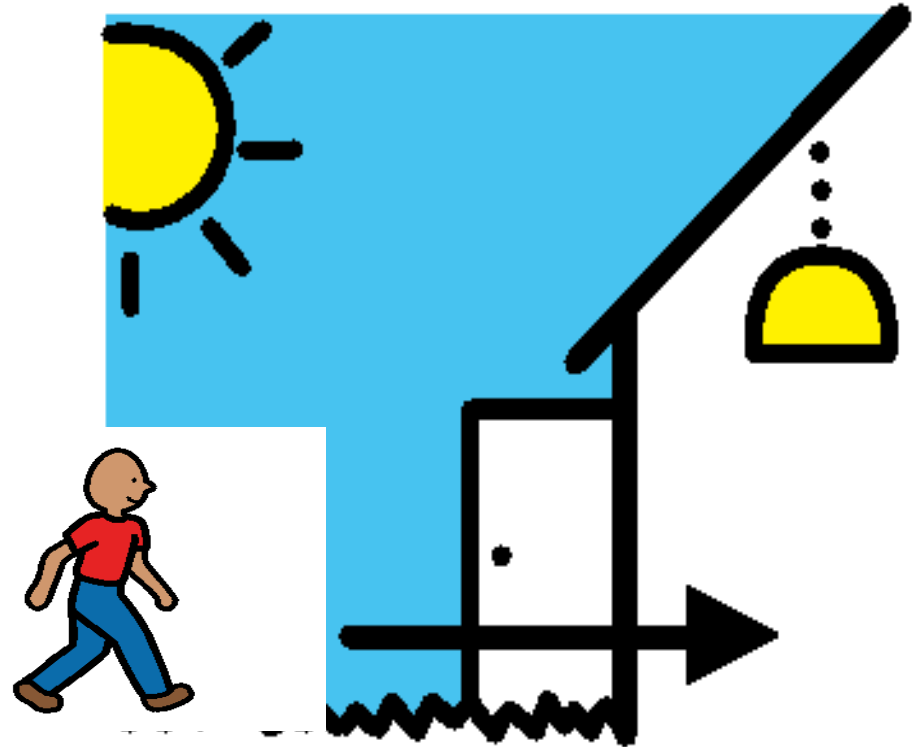

My class will walk outside.

My class will stand in a safe place outside.

WAIT

When a teacher says “okay”, we will walk inside.

Time to work.

Fire drills help me learn to be safe.
