

# Going to the Movies

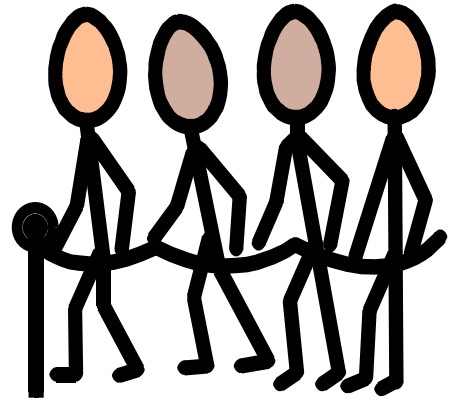

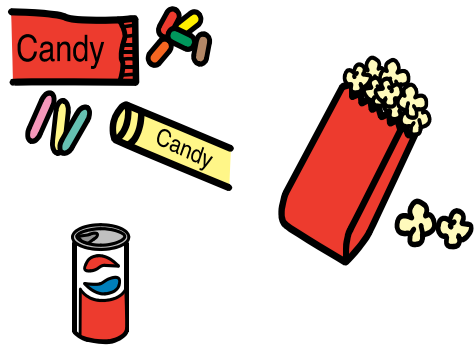

Sometimes I go to the movie theatre. It's fun to choose a movie that I want to see. Today, I'm going to see \_\_\_\_\_.

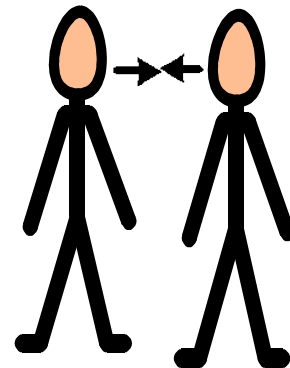

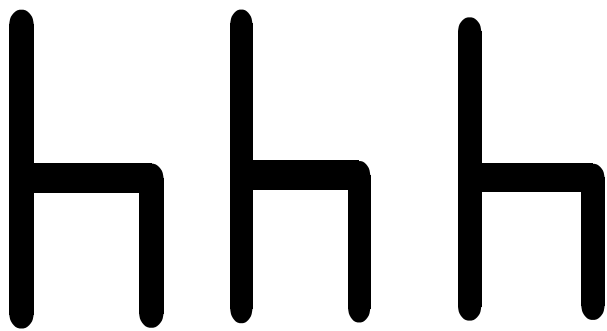

I usually will go to the movies with my mom and/or maybe \_\_\_\_\_.

When I get to the movie theatre we need to buy a ticket. I might need to stand in line and wait.

Sometimes I get to buy candy, popcorn, or soda to eat during the movie. I might have to wait in line to buy something to eat.

We should choose a place to sit. Before the movie starts, I can talk.

too loud

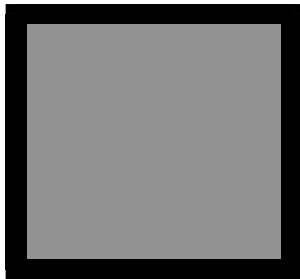

=

cotton balls

If the movie is too loud, I can tell my Mom "It's too loud". My Mom can give me some cotton balls or ear plugs to put in my ears. That way the loud noises will not bother me, and I can watch the movie.

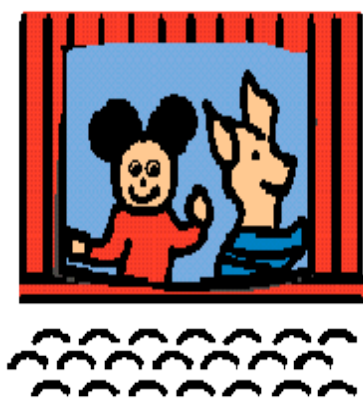

Dark

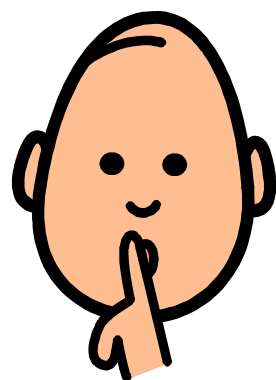

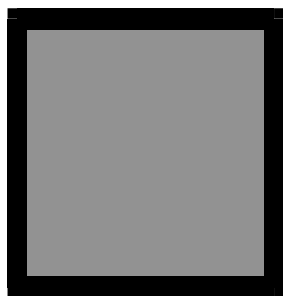

=

O.K.

When the lights in the theatre get dark, it's O.K. I still should be able to see my Mom, and the movie. When the lights get dark, the movie is going to start.

When the theatre gets dark, I know the movie is going to start. I need to be quiet.

Everyone will enjoy the movie if I'm quiet and watch the movie.

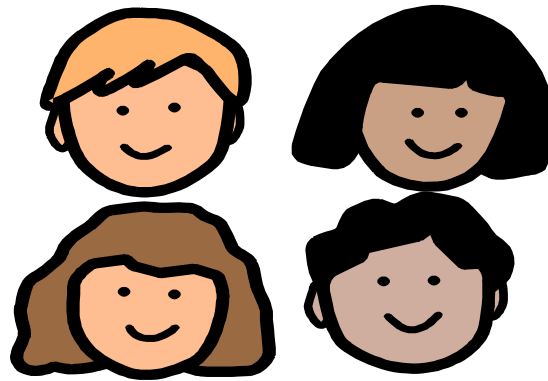

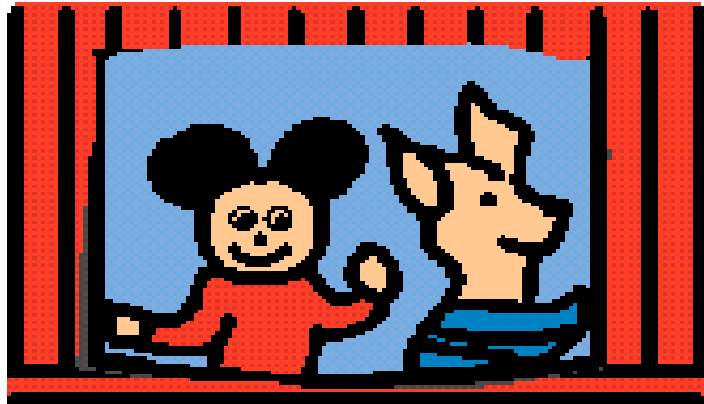

We can talk about the movie when it is over.

Going to the movies is a fun thing to do!
