

Circle Time

Everyone goes to circle and sits on their seat.

I sit on my
seat and
look at the
teacher.

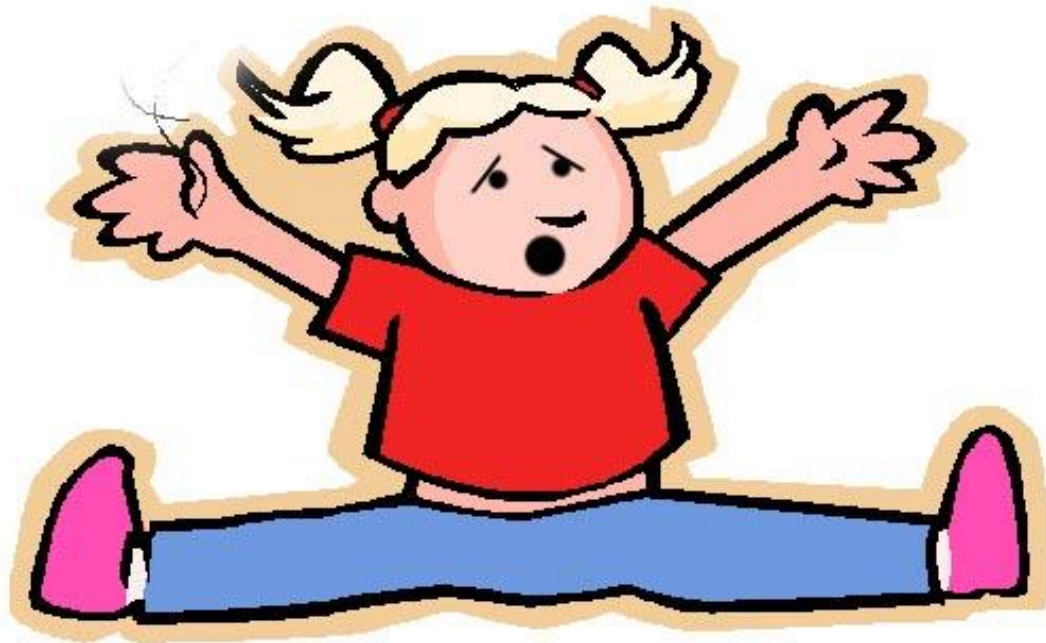

I listen with
my ears to
what the
teacher
says.

Sometimes it is hard for
me to sit.

If I get up off my seat, it is hard
for
my friends to see and have fun.

When we are in circle, I keep
my hands to myself and
everyone is happy.

I raise my hand to
talk to the teacher.

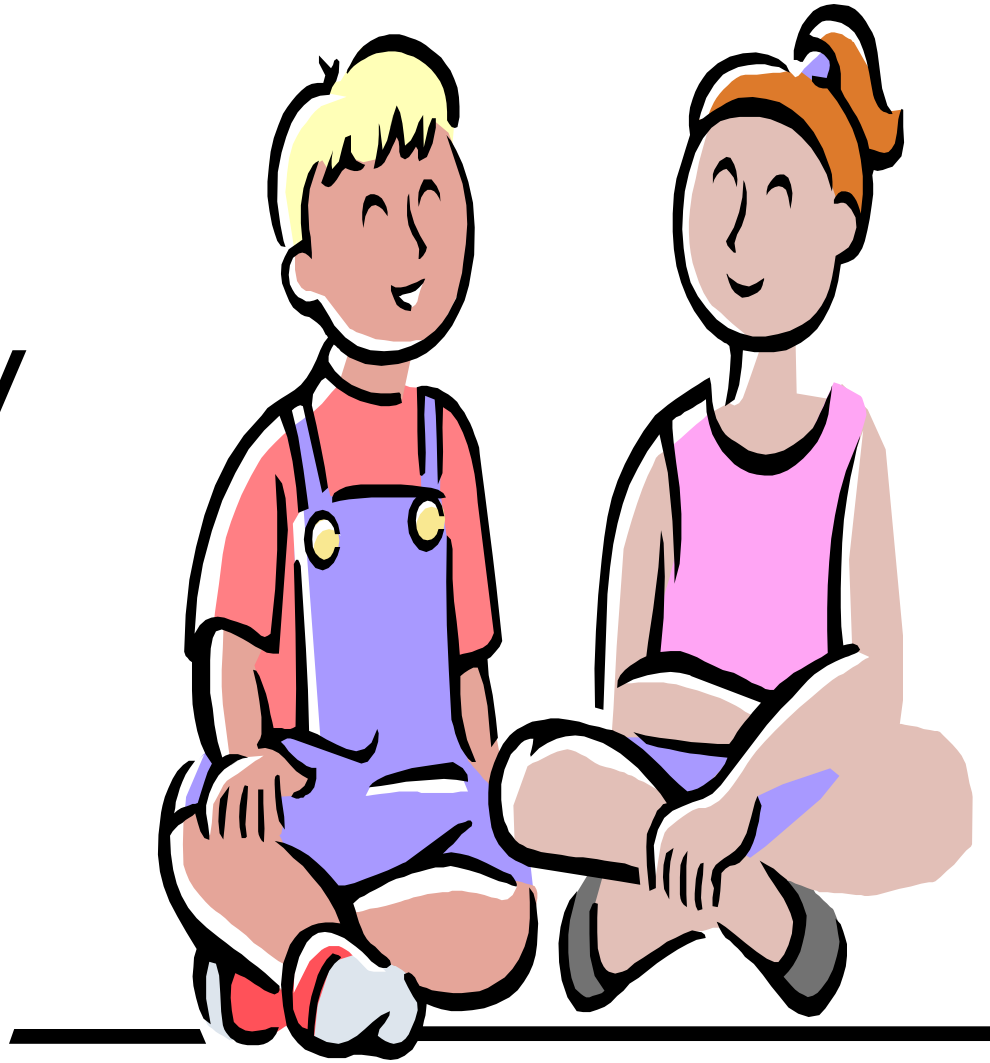

***Here is what
I need to
remember to
do at circle
time***

I look at the teacher.

I sit on my
seat.

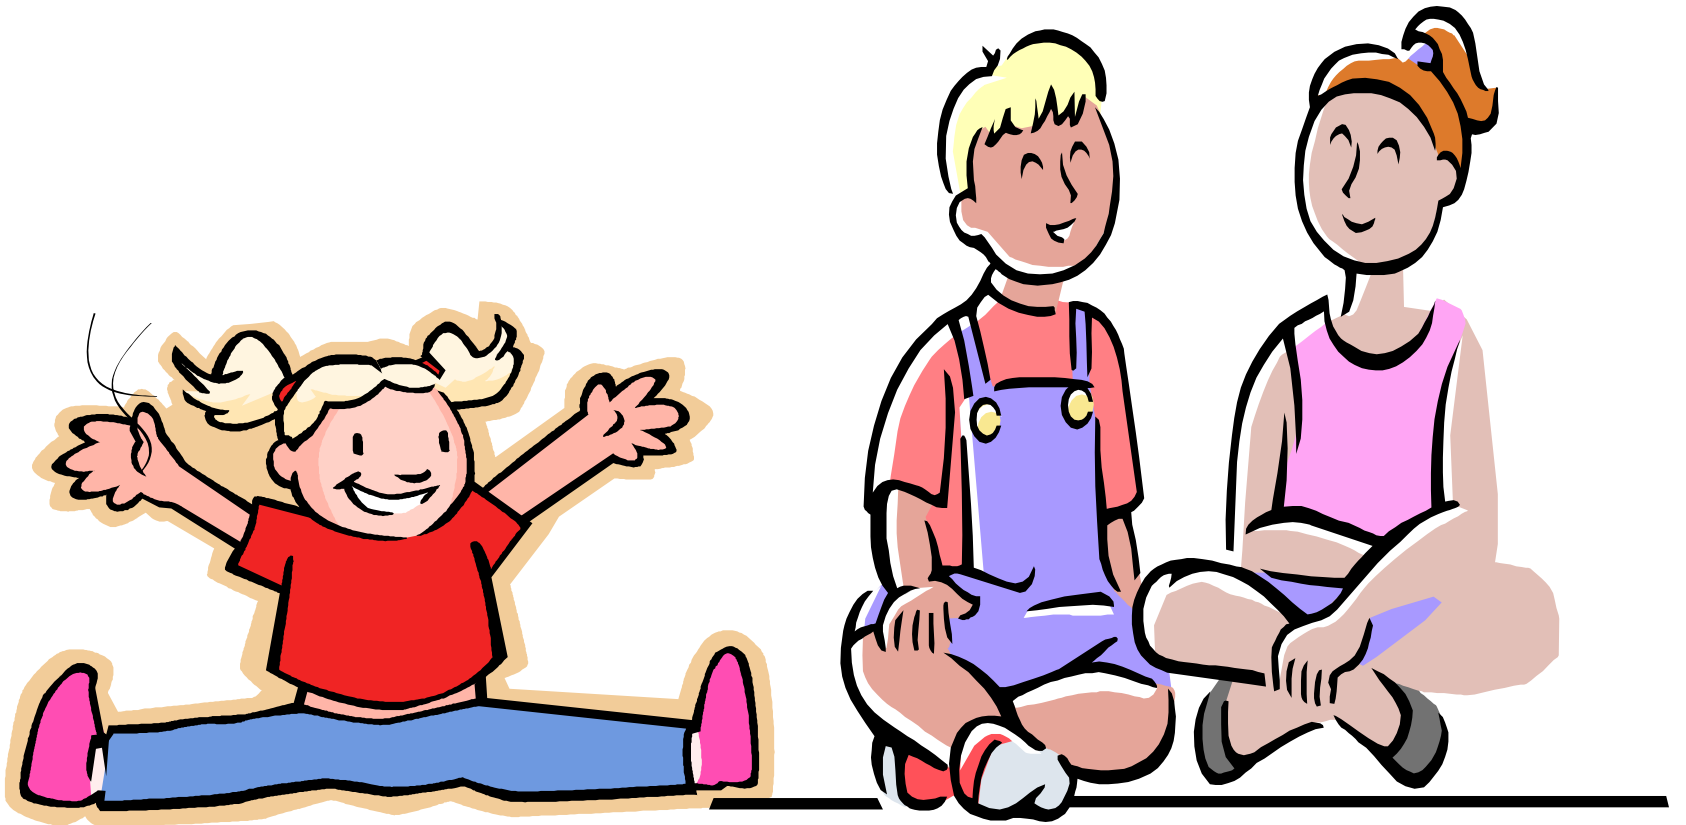

I raise my hand to
talk to the teacher.

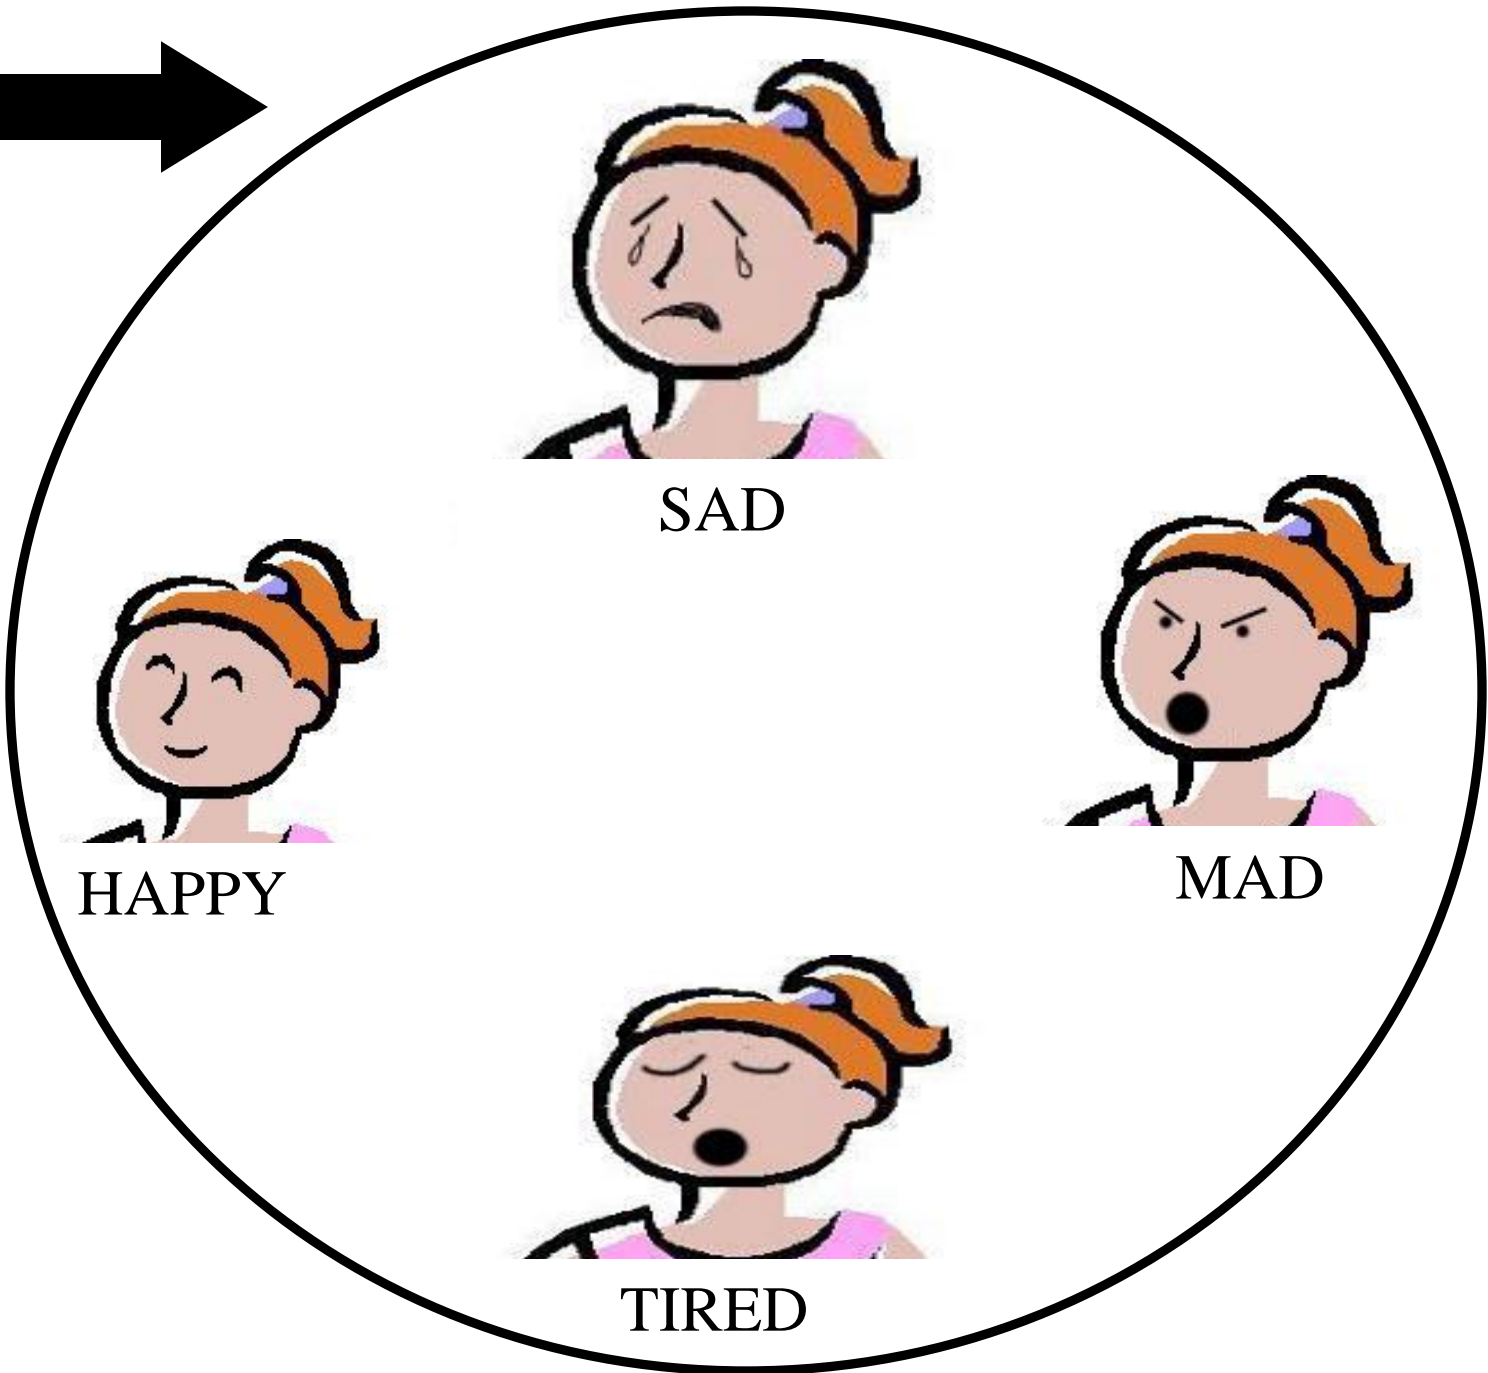

I stay in my seat
so everyone can
see.

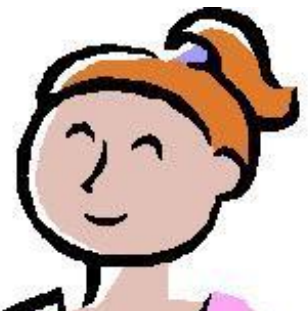

Circle time is fun when
we all follow the rules.
