

WASHING MY HANDS

First I go to the
sink.

Then I turn
the water
on and get
my hands
wet.

I put some
soap on
my
hands.....

and rub
my hands
together
to make
them
soapy.

Then, I rinse
my hands in
the water.

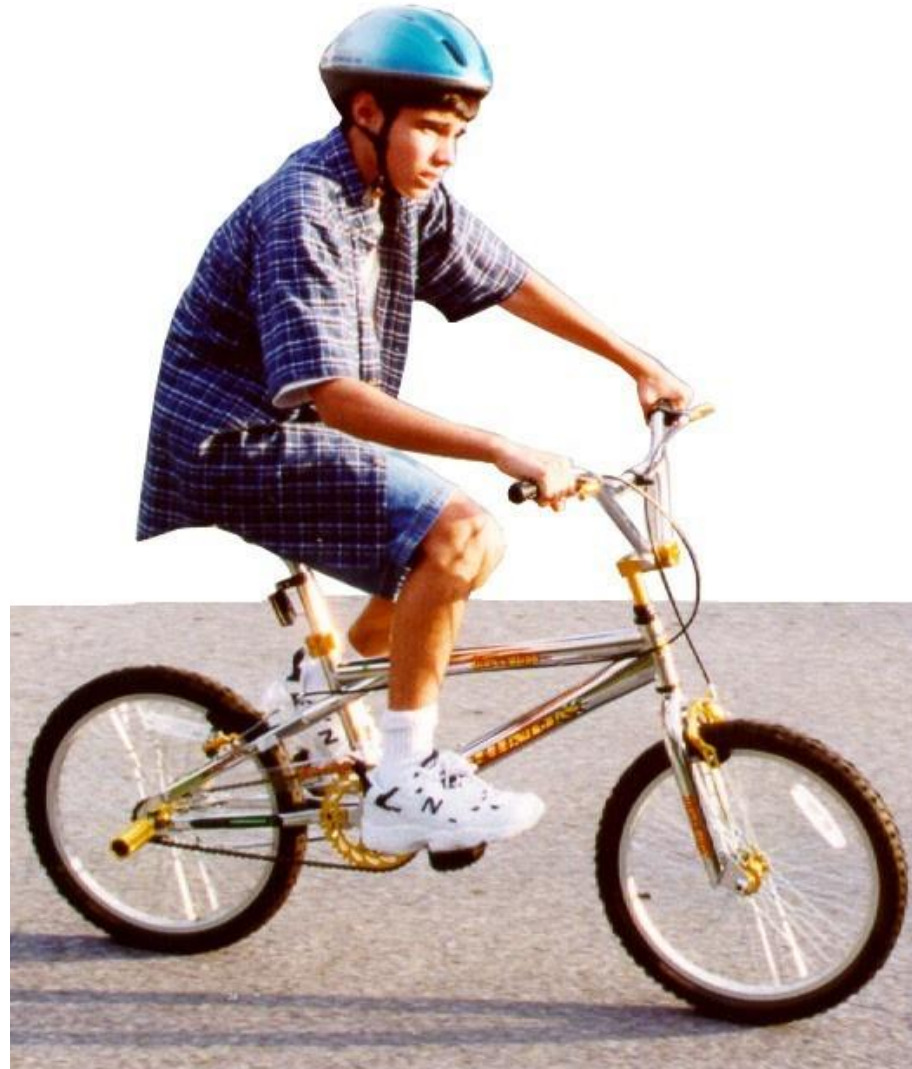

When I
am done
I dry my
hands on
a towel.

Now I am all clean and I can go and play.

The End
