****Remak Editoriyal ****

Nan mwa oktòb 2010, Prezidan Obama te siyen Lwa Rosa a. Lwa Rosa a te chanje langaj la pou yo itilize "andikap entelektyèl" pito. Definisyon langaj la pa te chanje, se sèlman yo itilize "andikap entelektyèl" nan plas reta mantal

"Lite pou moun ak andikap yo patisipe menm jan ak tout moun nan yon sosyete san baryè."
